

The Ontario Federation for Cerebral Palsy (OFCP) is a provincial non-profit, charitable organization dedicated to supporting people with cerebral palsy of all ages throughout Ontario.

Independence, inclusion, choice and full integration of all persons with cerebral palsy.

OFCP provides and initiates a wide range of services, resources and programs for people with cerebral palsy and their families, as well as professional organizations.

Our **Children and Families Program**, [Click Here](#), and our **Adult Planning Program**, [Click Here](#), strive to provide system navigation support and information to individuals with cerebral palsy, parents and professionals.

During COVID-19, OFCP recognized that we are enduring a time that can feel frightening, fluid and ever changing. In turn, our members' well-being and safety is our number one priority. We provide information and updates, as well as financial assistance for much needed items and activities.
